About the service

Forest Glade is managed by Outward, which is part of the Newlon Group, a registered charity that provides support, care and housing to people in 10 boroughs across London.

Outward has been supporting people with learning disabilities and people on the autism spectrum for over 40 years. We hold a Good CQC rating for our domiciliary care and registered care home services.

Forest Glade is a supported living scheme, providing services tailored to both meet the needs of each individual young person and their aspirations.

We have a fully trained staff team to deliver individual support packages that are adapted to meet the needs of the young people we support. Our young people have the opportunity to self direct their support and contribute to how the service will be delivered.

The scheme promotes independence through skills teaching, to maximise the potential of our young people and to build on their confidence and self-esteem.

Areas of support

Our staff offer a wide range of personalised support, advice and assistance, including:

- Promoting independence
- Developing life skills
- Maintaining a tenancy
- Managing finances including budgeting and benefits
- Dealing with correspondence
- Trying new experiences
- Learning to make decisions and socialise
- Supportive technology
- Accessing education, training and employment work placements volunteering
- Maintaining health, safety and security
- Signposting and accessing other services

Aim of the service

Engaging

We will listen to what our young people say, we will involve them and work in partnership with them in an honest and open manner.

Enabling

We will encourage and support our young people to make positive things happen in their lives.

Empowering

We will inspire our young people to take control, make choices and take advantage of opportunities.

We also encourage individuals to develop their life skills and take part in social activities in the scheme and in the local community.

Volunteer Club

Opportunities within Outward

Outward offers a range of opportunities that people may wish to join in with. Some of the people we support are also employed to quality-check services that we run. We also run supported holidays at Nutley Edge, our holiday complex in East Sussex.
